NOTES AND PRECIS.

D. No.12605. S.N.1.

(A) 1 Dr. DeRozario has been granted leave for 35 days from the 18th December 1939. vide S.N.2 of File D.Dis. 639/39.

2 Presumably, Dr.DeRozario will be considered as on deputation from the date he leaves for the training.

3 Under Fundamental Rule 9 (6) (b) (i) a local Government may issue orders declaring that during a course of instruction or training in India a Government servant may be treated as on duty. The Hon'ble the Resident is not a local Government for the purposes of Fundamental Rules nor has this power been delegated to him. The proposal therefore requires the sanction of the Political Department. They may be addressed.

4 As the period of deputation is not more than one month Dr. DeRozario is eligible for daily allowance during the full period of training i.e., Rs.172/8/- vide S. R. 164 and delegation under sl.No.49 (Appendix 13).

5 The question of providing funds will be considered in February next when the budget position will be reviewed.

Draft telegram to Political Department submitted.

6 The proposal is to have a trained man to take the place of Dr. Mani in case of his temporary absence, when the

the T.B. Sanatorium is opened. There is already one such trained man Dr. B. Ramachandar Rao, B.Sc., M.B.B.S., with the qualifications for Assistant Surgeon. He underwent the post graduate T.B. course at the All India Institute of **Hygiene** and Public Health, Calcutta at Government cost during 1937. It would not therefore seem urgently necessary to train another man at present especially as we have no funds.

He will take Mani's place at the T.B. Dispensary

7 If, however, it is considered necessary to depute Dr. Rozario, sanction of the Political Department will be necessary also

(1) for the appointment of a substitute, there being no delegation under F.R.36

& (2) for the grant of halting allowance at place of training, as the period of training will exceed one month including transit to and fro which will form part of the period of training (vide G. of I. Order No.6 on page 123 of the F.Rs). The Residency Surgeon recommends daily allowance for 10 days only and we need not go beyond that.

J. N. Rajagopalan 14.12.39

8 An adequate person is that Rozario now has T.B. cases under him in the Isolation Hospital. Telegram may be issued. [illegible] 14/12/39. Approved [illegible] 14/12

Diary No. 12,605
File No. SIR

Subject:—
Post-Graduate Training in Tuberculosis -- Deputation of Dr. C.F.DeRozario, Assistant Surgeon, Govt. Isolation Hospital.

I have the honour to inform you that it is desired to depute Dr. C.F.DeRozario of the Govt. Isolation Hospital for a course of Post-Graduate training in tuberculosis to be held at the All India Institute of Hygiene and Public Health, Calcutta, from the 9th of January to the 8th of February 1940, both days inclusive.

2. As you are aware, construction is shortly to be started on a 42 bedded sanatorium on a site adjoining the Government Isolation Hospital. This sanatorium will ordinarily be under the care of the present Municipal Tuberculosis Officer, Dr. John Mani; but it is desirable in the public interest that the work of this institution should be carried on during the absence of Dr. Mani through sickness, leave, or study, by a medical man with special experience and training in tuberculosis, and it is for this reason that the deputation of Dr. DeRozario is desired.

3. I have therefore the honour to request you to kindly obtain the sanction of the Hon'ble the Resident to the deputation of Dr. C.F.DeRozario to

to Calcutta to attend the course in question.

4. The expenses will be as under:—

Railway fare three 2nd Classes at Rs.74-8-9 each	Rs.223-10-0
Daily Allowance for the first 10 days @ 5/12 per diem	57- 8-0
Mileage allowance to and fro.	0- 8-0
	281-10-0
Substitute's pay for 1 month and 7 days at Rs.140/- plus Rs.30 (pay and special pay) per mensem.	212- 0-0
Total.	Rs.493-10-0

The allotment at my disposal under Mysore Assigned Tract 32-Medical for Travelling Allowance is not sufficient to meet this amount, and it is requested that should the Hon'ble the Resident approve the deputation, arrangements may be made to meet the expenditure from funds at his disposal.

I have the honour to be,

Sir,

Your most obedient servant,

Lt.-Col., I.M.S.,
Residency Surgeon.
